Services & Impact

Designed Especially for

Your Organisation

Parents show a high willingness to take action after contact with a Parent Champion:

In 57% of cases the referral given by the Parent Champion was used by parents with
43% of referrals leading to regular use of the service or activity recommended.

44% of contacts with parents led to a general impact on the parent e.g. parenting confidence.

Our Programmes

Our training and Facilitation support offers sessions that for Volunteers to Senior Management (staff at all levels) to promote emotional resilience and optimise performance.

Focusing on Organisational Needs and Requirements we create a training and /or support timetable - packed with interactive and engaging workshops, training and information for professionals or students at all levels.

Individual / Cohort Packages available as i.e. Weekly / Monthly as well as Group Away Day Packages

Our Impact

We specialise in skill development and comprehension of the work that goes into working with parents- with emphasis on self care of the worker, supporting the parent to support their families.

When this happens - families get the most benefit and confidence through trust and support delivered and modelled through the highest standards.

- Improve Self Confidence & Impact
- Meet Personal & Organisation Objectives
- Develop Skills & Enhance Strengths
- Improve Influencing Skills
